

Changes Without Regulatory Effect

SUBJECT: APPROVAL OF FACILITIES

SUMMARY: Pursuant to Section 100 of Title 1, California Code of Regulations (CCR), the Department of Mental Health (DMH) is submitting *Changes Without Regulatory Effect*. This action is necessary due to inconsistency between this regulation and a renamed regulation reference and the adopting agency has no discretion in this matter.

Effective April 1, 1990, the Office of Administrative Law authorized the renaming of the hierarchical headings used within Titles of the CCR.

Section 821 is amended to change the existing outdated reference "...Subchapter 3 of this title for inpatient services" that no longer exists. Instead, the reference should reflect "...Chapter 3..."

ACTION: Section 100 Change.
